

# Weekend by the Arctic Ocean

Journey to the Kola Peninsula and Teriberka village

The days of this trip are packed with exciting activities — discovering highlights of the largest city above the Arctic Circle, observing breathtaking landscapes of endless tundra and the Barents Sea, getting acquainted with northern Sami people's culture, enjoying a company of reindeer and Siberian Huskies. The nights will be busy as well — you will get a chance to capture mesmerizing northern lights in one of the Russia's best places for watching the phenomenon.

# Experiences you'll have

## Journey to the Russian North

Starting your trip with arrival to Murmansk, you then will move away from big cities, deep into the heart of the Russian North. You will search for Northern lights in the Murmanks’ suburbs and the village of Teriberka by the Barents Sea — one of the 5 best Russia’s places to observe this natural performance. In ethnic Sami village you will meet the Sami indigenous people, visit the alley of sacred idols, try reindeer sledding and get encounters with cute Siberian Huskies in the Husky Park.

### Highlights of the tour:

## Itinerary

The journey starts in Murmansk, where you should get to by your own. We are ready to help you with the purchase of tickets. If necessary, please, leave a comment in the application.

*Depending on the weather conditions, the program may change. Please, note, that in tours with arrivals in October and November, you will travel along the route by SUVs. At other time, from November till March, when there is a lot of snow on the Kola Peninsula, you will ride in sleds carried by snowmobiles.*

### Day 1

#### After meeting at the airport of Murmansk, you will get a

guided walk around the largest city above the Arctic Circle.

#### During the city-tour you will visit the second highest

monument in Russia commonly known as Alyosha; official name is Defenders of the Soviet Arctic during the Great Patriotic War. Besides the Alyosha, you will get acquainted with other historical places of the Second World War. You will get a stop at an obelisk with the coordinates of Murmansk — a popular place for taking a selfie.

#### Later, you will go for a tour to the world's first nuclear-

powered icebreaker Lenin. Don’t miss your opportunity to take photos inside and outside the legendary ship.

#### After dinner it will be time for watching Northern lights, if

weather permits. You will go to the Aurora Village glamping, located 49 km away from Murmansk. Here, far from the city noise and lights, nature provides the best scene for the Aurora Borealis show. You will stay at the glamping for night.

### Day 2

#### After breakfast you will move to Teriberka village, placed

on the coast of the Arctic Ocean. On the way you will observe beautiful views of the Barents Sea, endless tundra and snow-

Kola Peninsula
