

A Date with the North

Journey to the Kola Peninsula and Teriberka

Spend three days surrounded by atmospheric tundra landscapes, the vast expanse of the Barents Sea, and the rugged beauty of Teriberka. Just you, the wild nature of the Arctic Circle, and the gentle whisper of the waves.

Experiences you'll have

In 3 days on this tour, you will:

- explore Murmansk, the world’s largest Arctic city, and visit its most iconic landmarks
- enjoy panoramic views from Green Cape Hill and see the Kursk submarine memorial complex
- savor authentic Arctic cuisine featuring fish, seafood, and northern berries
- take a two-hour boat trip on the Barents Sea, with the chance to spot whales
- spend the night at Lapland Village glamping, surrounded by forest
- visit Elan Husky Park, meet friendly huskies, and ride a dog sled across the tundra
- learn about the culture of the Indigenous Saami people and see reindeer

This tour is available only for groups of 2, 4, or 6 people. For details, please contact our managers.

Itinerary

The journey begins in Murmansk, which you will need to reach on your own. We can assist with purchasing tickets — please leave a comment in your application if needed.

Day 1

Upon arrival in Murmansk, you will meet your guide and

check into the Azimut Hotel.

You will then set out on a city tour to discover the

highlights and history of this Hero City. You will visit the Monument to the Defenders of the Soviet Arctic, affectionately known as “Alyosha.”

From Green Cape Hill, you will enjoy sweeping views of

Murmansk. At the memorial complex dedicated to sailors who perished in peacetime, you will see the deckhouse of the submarine *Kursk*, a ship’s anchor, and a hexagonal lighthouse.

You will enjoy lunch and dinner at local restaurants serving

Arctic specialties such as fish, seafood, and northern berries. Meals are paid for on the spot. In the evening, you will return to the hotel to relax.

Overnight in Murmansk.

Day 2

After breakfast at the hotel, you will travel to Teriberka, a

village on the coast of the Barents Sea (approx. 130 km). Along the way, there will be stops to photograph tundra landscapes and Arctic lakes.

Upon arrival, you will explore local attractions — partly by

sleigh ride and partly on foot. Afterwards, you will set off on a two-hour boat trip. With luck, you may spot whales and other Barents Sea wildlife.

Later, transfer to Lapland Village glamping, where you will

check in and enjoy dinner (payment on the spot). Take a walk around the forest grounds before settling in for the night.

Overnight in Lapland Village.

Day 3

After breakfast, you will head to Elan Husky Park, traveling

through a scenic area often referred to as “Russian Lapland.”

You will arrive at the park by sleigh, where you will meet

the huskies, learn about the history and characteristics of the breed, and enjoy a dog-sled ride across the tundra (two people per sled). You will also meet the Indigenous Saami people, discover their culture, and see reindeer.

You will be given traditional felt suits, designed to be both

windproof and warm.

Lunch includes classic northern dishes: creamy Finnish fish

soup (lohikeitto), rice with stewed reindeer, lingonberry pie, and herbal tea. A vegetarian option is available.

After lunch, you will be transferred to Murmansk Airport

for your flight to Moscow. Please choose a departure time after 18:00.

Accomodation at the trip

On your first night, you will stay at the **4-star Azimut Hotel Murmansk**, located in the city center. Accommodation is in double rooms with either one double bed or two single beds, equipped with a shower, toilet, and hairdryer. The hotel also offers an on-site restaurant, mobile phone coverage, and Wi-Fi.

You will spend the second night of your trip at **Lapland Village Glamping**. Accommodation is in insulated double domes with a terrace and panoramic views. Each dome is furnished with either one double bed or two single beds and has a private bathroom. The glamping site also features a café and a traditional bathhouse.

The cost of the tour depends on the group size:
